Re: Eyal, RS Nadlan: appreciation, recommendation and thanks

We are writing this letter to thank you personally for the dedicated and professional service you gave us, and to express our appreciation and our gratitude for your care and for who you are.

The service we received from Eyal was marked by a high level of professionalism, persistence, determination and care that are never a given, together with a deep understanding of how to read the real estate market.

In his pleasant, patient and caring way, Eyal made every effort to be a true partner and to give us an effective, meaningful answer in finding quality tenants for the apartment.

Needless to say, from our very first meeting we knew we had chosen the right broker. That gave us the confidence that with Eyal's help we would reach the best and most favorable result for us, in other words an optimal result from our point of view. And we did, with the help of Eyal, who showed flexibility toward our needs and extraordinary patience with every phone call, request and question.

It is important to us to mention that even after the deal was closed, the contract was signed and the tenants moved in, Eyal continued to help with other matters related to the property.

We would like to recommend Eyal warmly and with appreciation as an ideal broker, one who is skilled and knows how to give the client a responsive and effective partnership as quickly as possible.

We are happy and grateful to have met him, and we are sure that the "match" between us has only just begun.

Eyal,
Thank you again, so very much.
You are wonderful.

With appreciation,

Shuli and Amir
